Nature of Contract: *(Briefly describe the general terms of the contract)*

The Office of National Drug Control Policy has issued a HIDTA award, in the amount of \$1,275,000, to the County of Riverside for a Meth Regional Strike Force in Riverside and San Bernardino Counties. This award is the continuation of a grant that was first funded in FY98/99. The program targets methamphetamine production at three levels: the "stove top" operations, major manufacturing cartels, and chemical companies involved in the manufacture of the basic ingredients used in methamphetamine production.

Of the \$1,275,000 awarded to Riverside County, \$675,000 is allocated to San Bernardino County to fund overtime, training and equipment costs for local Street Enforcement Teams within the County. Riverside County is the administrator of the grant. The San Bernardino County Sheriff's Department will submit claims for reimbursement to Riverside County. This grant award is for the period of January 1, 2003 through December 31, 2003.
